

SurfaceTreat

Deep Cleaner and Gloss Protector for Floors

Product Description

SurfaceTreat is a unique one step green cleaner/protector that eliminates the need to strip floor finish. Removes deep set dirt, scuffs and heel marks, and at the same time deposits a non-yellowing, dust free anti-slip, mark resistant film that prolongs the life of the floor. SurfaceTreat responds to immediate follow-up buffing and burnishing. May be applied by low speed machine, auto scrubber or damp-mop. Deep cleans and enhances finish without the need to strip floor finish.

Features

- Cleans and restores in one step
- Penetrates and removes embedded dirt
- Cleans up to 4 coats deep
- Eliminates stripping
- Eliminates spray buff and restores
- Works with all speed floor machines
- Creates a protective shield against dirt
- Extends life of gloss floors
- Adds toughness and anti slip surface
- Green formulation

Main Uses

- Deep cleaner/protector
- Maintain finished waxes and sealers
- All composition, resilient and non-resilient flooring
- Commercial
- Institutional
- Educational
- Industrial

Typical Properties

Property	Typical Results
pH at 77°F	11.0
Odor	Virtually Zero
Weight/gallon at 77°F	8.5lbs
Flash Point	212 °F
Film compatibility	100%
Film color	Clear
Slip resistance	Very Good
Solubility in Water	100%

Packaging

1 quart (0.95 liter) and 1 gallon (3.8 liter) jug.

Shelf Life

12 months when stored at 77°F (25°C) or less in a dry and shaded area.

Directions

Sweep floor to remove loose dirt.

For deep scrubbing and cleaning without stripping

Dilute 8fl.oz per 1 gallon of water. Use a black strip pad under a low speed machine or automatic scrubber to deeply cleanse the finish (will not strip finish). Cleans up to 4 layers deep. Scrub floor and pick up the solution in one pass or damp-mop thoroughly. Let it dry.

For day to day cleaning: Use in mop bucket or auto scrubber. Dilute 2.0 Fl.oz per 1 gal cold water and use any time floors are moped or scrubbed.

For high speed burnish. Use SurfaceTreat undiluted in a quart spray bottle. . Adjust trigger sprayer to a stream. Spray in front of the machine as you walk slowly forward in a straight line. 1 spray every 10 steps.

To repair high stress areas: Such as in front of elevators, entrance ways and between check -out counters Use SurfaceTreat undiluted in a quart spray bottle with a high speed burnisher and pad. Adjust trigger sprayer to a stream. Spray in front of the machine as you walk slowly forward in a straight line. 2 sprays every 2 steps. Walk back over the same area this product at least once a week to insure continuous optimal floor appearance.

Limitations

Do not apply below 40°F (5°C)

Do not use on surfaces that can be harmed by water

Health and Safety

CAUTION: May cause Eye and Skin irritation.

KEEP OUT OF REACH OF CHILDREN.

FIRST AID: In case of eye contact, immediately flush eyes with plenty of water for at least 15 minutes. Then remove contact lenses if applicable. If irritation persists, get medical attention.
